MACOMB COUNTY LIBRARY ANNOUNCES SUMMER READING PROGRAM

CLINTON TOWNSHIP, Mich. – Children are invited to continue developing their reading skills during the break from school by participating in the Macomb County Library's Summer Reading Program.

"The Summer Reading Program is a great way for kids to have fun over the summer," said Anne Mandel, children's services coordinator. "It encourages children to read for recreation, and we also have two great programs that they will enjoy attending."

The Summer Reading Program begins Saturday, June 18, with a live reptile show that takes a page from the program's theme: "Dragons, Deeds and Daring Dreams."

The reptile show – "Reptiles: Modern Dragons – features alligators, lizards, snakes and iguanas, brought to the library by Dan Briere of The Little Creatures company. The program begins at 10 a.m. and is open to children of all ages accompanied by their parents. Registration is required.

Immediately following the program, children are invited to visit the children's area to register for the Summer Reading Program.

Children win a prize for every two books read and are eligible for the Grand Prize drawing held at the Summer Reading Program Finale party. Children can read any books that are reading-level appropriate.

The program's finale will celebrate the release of the sixth Harry Potter adventure, "Harry Potter and the Half-Blood Prince." The program begins at 1 p.m. Saturday, July 16, and will last about an hour. Participants will play games, make crafts and more.

Grand Prizes include magic tricks, movie passes and copies of the new Harry Potter book. Registration is required for this program.

"I hope many children will participate in our program this summer," said Cathleen Russ, assistant library director. "I especially want to extend the invitation to residents of Harrison and Ray Townships, as the Macomb County Library is their home library."
